It is a condition of the registration with the club that all players, staff and spectators acknowledge this responsibility and agree to abide by the club's code of conduct and rules and adhere to the FA Code of Respect.

Always learn the laws of the game and follow them.
Practice and improve your soccer skills to beat your opponents by Skilful, not unfair means.
Offer encouragement, not criticism to your teammates.
Do not lose your self-control and retaliate - even if provoked.
Be a team player - put the interests of the team before your own.
Do not argue with the match officials.
Under no circumstances resort to violent conduct or dangerous play.
Do not use foul or abusive language or behave badly towards other players or officials.

Be honest and show good sportsmanship and do not try to gain unfair advantage by appealing for decisions that are not yours or over celebrate success.

Approach training and matches with the right attitude and commitment, be punctual and prepare properly.

Shake hands and acknowledge your opponents at the end of the game regardless of the result.

Let your Team Manager know in plenty of time if you are unable to play, are carrying an injury or are unable to attend weekly training sessions.

Play to win and enjoy yourself, take victory modestly and defeat graciously.

Wear the club's colours with pride and never do anything to damage its sporting reputation or the sport of soccer.

The club expects that **all players** assist on match days and at training sessions with the setting up and taking down of the goals, nets, corner flags and equipment and see that the same are returned to the storage shed after each match/training session has finished

The remainder of the fee is broken down as follows: part goes towards covering all Surrey County and GWAFL annual membership fees and the purchasing of any new equipment required, there is also membership to a Players Personal Accident Insurance Benefit Scheme currently with Bluefin Sport, a description of this cover can be found on display on our club notice board and in the home dressing room, or full details can be obtained from the club Secretary. The surplus of the left-over money then goes into the main club fund.
