Documentation

This document, the Schedule of Insurance, the Schedule of Benefits, and any endorsement(s) attaching to this document constitute the certificate, which is the insurance contract and sets out the terms of this insurance between the **insured club or team** and **us**.

Information the insured club or team has provided

In deciding to provide the insurance under this certificate and in setting the terms of it, **we** have relied on the information the **insured club or team** has given **us** in respect of the **insured persons**. The information the **insured club or team** has given **us** in relation to the insurance under this certificate must be accurate and complete.

The **insured club or team** must tell **Sportsguard** as soon as possible, if either becomes aware that information the **insured club or team** has given in respect of the **insured persons** is inaccurate or incomplete, which includes any change in circumstances that results in the answers the **insured club or team** has given to questions asked becoming inaccurate or incomplete. Changes may affect the terms (including the cost) of this insurance, or **we** may cancel the certificate.

If the information the **insured club or team** has provided in respect of the **insured persons** is inaccurate or incomplete, **we** may:

- amend the terms of this certificate, which may be applied as if they were already in place prior to any claim, or
- reduce the amount **we** pay on a claim in the proportion that the premium paid bears to premium **we** would have charged the **insured club or team** in respect of the **insured person** concerned had the information not been inaccurate or incomplete, or
- treat this certificate as if it never existed in respect of the **insured person** concerned and the corresponding premium paid will be returned to the **insured club or team**. This will only be done if **we** would not have provided this insurance if the information had been accurate and complete.

If **we** establish that the **insured club or team** deliberately or recklessly provided false or misleading information, **we** will treat this certificate as if it never existed or treat this certificate as if it never existed in respect of the **insured person** concerned and decline all corresponding claims and **we** will not return any premium.

Compliance with certificate terms

Where the **insured club or team** or the **insured person** or their personal representatives do not comply with any obligation to act in a certain way specified in this certificate, **we** reserve the right not to pay a claim.

Defined terms

Certain words or phrases in this certificate have specific meaning as defined within this certificate and wherever these words appear in bold in this certificate the defined meanings shall apply. These defined words or phrases can be found under the Definitions section of this certificate.

Understanding this policy

This certificate must be read in its entirety as conditions, exclusions and other limitations apply.

The certificate is made up of different classes of insurance, which are set out in separate sections of this certificate with specific terms applying to each section separately in addition to general terms applying to all sections. The cover the **insured club or team** has purchased or not purchased under this certificate is as shown in the Schedule of Benefits applicable to this certificate and the "**ADDITIONAL BENEFITS APPLICABLE TO PERSONAL ACCIDENT**" forming part of the Schedule of Benefits.

The **insured club or team** must ensure that the cover they have purchased under this certificate in respect of the **insured person(s)** is adequate.

If the **insured club or team** thinks there is a mistake in or a change needs to be made to this certificate, then they must immediately contact **us** via **Sportsguard**.

Cooling-off period

If the insurance provided under this certificate does not meet the **insured club or team's** requirements the **insured club or team** can cancel this certificate within 14 days from:

- the start date of the insurance provided under this certificate as shown under the **period of insurance**, or
- the date the **insured club or team** received this certificate,

whichever is the later.

In exercising their right to cancel in this way, the **insured club or team** withdraws from this contract of insurance from the start date as shown under the **period of insurance**, which means the insurance provided under this certificate will be treated as if it never existed and **we** will return the premium paid.

The **insured club or team** cannot cancel this certificate during this cooling-off period if:

- a claim has been made under this certificate, or
- the cover provided under the certificate is for a duration less than one month.

Cancellation outside of the cooling-off period

The **insured club or team** can also cancel this certificate at any time by writing to **Sportsguard**. Any return premium due to the **insured club or team** will depend on how long this certificate has been in force. If a claim has been made no refund of premium will be provided.

We can cancel this certificate by giving you thirty (30) days' notice in writing.

We will only do this for a valid reason (examples of valid reasons are as follows):

- Non-payment of premium;
- A change in risk occurring which means that **we** can no longer provide the **insured club or team** with insurance cover;
- Non-cooperation or failure to supply any information or documentation **we** request;
- Threatening or abusive behaviour or the use of threatening or abusive language.

In the event of cancellation by **us** the **insured club or team** must notify all **insured persons** of such cancellation.

The **insured person** may withdraw from the cover provided by this certificate at any time by giving notice to the **insured club or team**. No refund of premium will be payable.

How to make a claim

The **insured club or team**'s attention is drawn to General Condition 2, 'Making a claim'.

Several Liability Notice - LMA5096

The liability of an insurer under this contract is several and not joint with other insurers party to this contract. An insurer is liable only for the proportion of liability it has underwritten. An insurer is not jointly liable for the proportion of liability underwritten by any other insurer. Nor is an insurer otherwise responsible for any liability of any other insurer that may underwrite this contract.

The proportion of liability under this contract underwritten by an insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown in this contract.

In the case of a Lloyd's syndicate, each member of the syndicate (rather than the syndicate itself) is an insurer. Each member has underwritten a proportion of the total shown for the syndicate (that total itself being the total of the proportions underwritten by all the members of the syndicate taken together). The liability of each member of the syndicate is several and not joint with other members. A member is liable only for that member's proportion. A member is not jointly liable for any other member's proportion. Nor is any member otherwise responsible for any liability of any other insurer that may underwrite this contract. The business address of each member is Lloyd's, One Lime Street, London EC3M 7HA. The identity of each member of a Lloyd's syndicate and their respective proportion may be obtained by writing to Market Services, Lloyd's, at the above address.

Although reference is made at various points in this clause to "this contract" in the singular, where the circumstances so require this should be read as a reference to contracts in the plural.
