AUTUMN 2019

CELEBRATING THE 65TH ANNIVERSARY OF THE VILLAGE SHOW

Left: the Winning Showstopper 65th Anniversary Cake made by Anna Brain.

Right: An array of the fantastic entries by local children.

Below Right: Peter Bedford's photo of the delivery of the hanging basket captured "The Spirit of the Show"

Below left: Steve Wall with his amazing floral creation, which was the Judges' Choice in the 'Rule Britannia' category.

Left: The special surprise at the motor show was the arrival of the Dennis F24 Water Tender Fire Engine (Reg. 97 SPK) which caused a great deal of excitement. Alan Greenwood, (third from left) owner of the fire engine, joins Motor Club members donning their Firemen's helmets before springing into action with a demonstration using the hose pipe! The engine was new to Surrey Fire Brigade at Esher 1961-1974. It cost just over £4000 when new and appeared in two films. Fully equipped it is still capable of at least 70mph and can still fight a good fire!

CHARITY GALA

Right: **Celebrating 100 years of Save the Children** with an evening of opera classics and show music in the marquee. Barrie Davey from the Royal Hospital, Chelsea, made the presentation to the performers (L to R) Dominic Natoli, Alison Langer, Kamilla Dunstan, Grant Doyle and Jeremy Silver who played keyboard. At the time of going to press £4,500 was raised at the event.

Thank you to Roger & Ros Marsden and their team for organising such a special and enjoyable evening.

Barrie Davey commented on how lovely it was to be welcomed back to the Show again this year and to be invited to the Charity Gala. He thought the Charity Gala was wonderful, no microphones or loud speakers, no hum of air conditioners in the background and the performers' voices were pure heaven. Congratulations all the organisers on both events.

Surrey Police

IMPORTANT PLEASE READ.....

Call 999 for Emergencies only.

Call 0800 555111 for Crimestoppers.

Call 101 - Surrey Police for General Enquiries and non-urgent matters.

This number will also transfer you to Esher Police Station, which is open from

09.00-17.00 hours Monday to Friday.

Sgt 2190 Greg Turner covers Esher

PCSO 13867 Nigel Oates covers West End

PC40489 Chris Smith is the local PC Tel: 101 or ext. 38298

14614 Mike Bessent is the contact for Neighbourhood Watch, Surrey Police, Elmbridge Borough :

Tel: 101 Extension: 38857

Officers can be contacted by dialling 101 or email:

the Elmbridge Policing Team at elmbridge@surrey.pnn.police.uk

BE AWARE!

- ◆ Please report suspicious incidents via 101, or in an emergency 999.

KEEP YOUR DOORS AND WINDOWS SECURELY AT ALL TIMES AND ONCE AGAIN PLEASE REMOVE ALL VALUABLES FROM CARS WHEN PARKED.

ARE YOU INTERESTED IN FRENCH LANGUAGE, LIFE AND CULTURE?

If so, do come to West End Village Hall to listen to carefully selected speakers talking in French on a variety of topics.

Talks take place monthly from October to June on the third Wednesday of the month except December when it is the second Wednesday. They start at 8.00pm, last for an hour and are usually attended by 60/70 members of the Cercle and visitors whose ability in the French language varies from the fairly basic to the completely fluent.

*Relaxed and friendly atmosphere *Free coffee and biscuits from 7.00pm

*Only £5 per talk or £30 for the whole season.

Opportunities to improve your French at language workshops.'

WEST END CREATIVE WRITING GROUP

VILLAGE COLLAGE (Read at speed, please...)

West End, the best end
rest end, round the bend end
jest end, even zest end
but never depressed end
a jewel, an idyll,
an island, a haven
possibly even a small slice of heaven
there's the pub and the club
hubs of drinking and thinking
sharing and caring
quaffing and laughing
teasing and wheezing
chatting and dog patting
and the ponds with their ducks
sifting through the muck
gobbling what's chucked
while toads are bonking,
and geese are honking
and frogs under logs are
avoiding the dogs
on the edge of the woods
where the walkers and talkers
are greeting and meeting,
joggers and loggers
perhaps even snoggers
coffee shop bikers
pond dippers and hikers
and always the sheen
of the emerald green
tempting mixed teams
to enjoy its delights
from morning to night
little kids and big'uns

oldies and young'uns
having a shot at the goal
or practising a bowl
children in shorts
new trainers bought
tennis balls caught
runs and games won
fun in the sun
or buddies in mud
and rugs with picnics
watching the cricket
sunbathing, idyllic
and the church bell ringing
for weddings and christenings
Sunday service meetings
prayers winging, hymns singing
and In August in the heat
up goes the marquee
housing marrows and tomatoes
photos and collages
flowers in their vases
baked cakes cut to taste
presentations of art
collections of craft
certificates and judges
whispering and nudges
then after the party
with dancing and prancing
swigging and jigging
jiving and miming
jumping and diving
then calm for the opera
with picnics, corks popped
tasty titbits on pressed cloths
heavenly music from within
softly wafts in the evening

tenors and vibratos
deep basses and sopranos
falsettos and crescendos
are shared with the air
sounds so very rare
then pegs are out,
canvas is down
and the West End green
regains its crown
so this is West End
this small slice of life
is a fragment, a snapshot
a dream, just the cream

a delight, a surprise
a bite of paradise

apologies for tautology
or what's missed off the list
time's run out
but you get the gist

Rachel Gee

of colour to the Village Show!

ELMBRIDGE NEW LOCAL PLAN

Following increased targets from national government, Elmbridge Borough Council has launched a consultation to develop a new local plan. The local target is now around 9000 housing units over the next 15 years, ie. about 600 per year across the borough. (The previous plan required some 230 per year) The consultation covers 5 options for the selection of sites for development. These can be viewed at www.elmbridge.gov.uk/localplan. Help in accessing this website is available at Esher library, and a hard copy of the planned options, with maps, is also available there. The consultations ends on 30 September.

*David Bramley
Esher Residents Association*

WEST END FILM CLUB

In the Spring edition of the Village News Robin and Kasia Crane said they would like to reduce their involvement in the day to day mechanicals of setting up the projection equipment, and were looking for members who can take on this role.

Unfortunately no one has come forward to take on the responsibility to continue with running the film projection and therefore we report with great sadness that West End Films will no longer be able to continue.

We would like to pass our huge thanks on to Robin and Kasia for all their hard work and commitment to the project over the past 10 years. The last film shown was very poignant as the final scene was very fitting for the end of an era. To see the scene from Fitzcarraldo please follow the link to the West End Film Club website and click on the link 'a fond farewell from Robin and Kasia'.

PHOTOGRAPHIC CORNER

A Yellow Bellied Sliding Turtle burying fifteen eggs at the side of the Pond Car Park, Old Lane, Cobham.

A beautiful Cuckoo is a rare sight indeed these days, often heard in May/June in our woodlands, but Don was lucky enough to capture sight of this one on the Somerset Levels.

Photos: Don Tyzack

IN LOVING MEMORY OF ANN LOWNDES-BUTCHER

A lot of residents around the West End/ Esher area will have recognised Ann doing her daily walks to either Garsons Farm, The Prince of Wales Pub or up Lammas Lane to Esher High Street.

Having lived at Talbot Lodge on West End Lane since 2011, Ann made lots of friends in the neighbourhood. She was a very keen gardener and was entered into the Paragon Housing UK based Gardening competitions 5 years running. She came 1st, 2nd and 3rd and this year her garden was 'Highly Commended'. Garsons knew her very well with her regular plant purchases to fill her award winning garden!

Ann was also a talented artist specialising in oils and water-colours. She started painting birds and mini landscapes as a child developing her skills to larger canvasses of animals and flowers. She was often seen selling her paintings on Bayswater Road in London on Sundays.

Ann was very well known for her incredible fashion style. Many people commented on her exceptional taste in clothes with colour co-ordinated scarves, bags and shoes. She was a fashion icon for all ages. Her individuality made her stand out in a crowd.

Ann sadly passed away on the 1st June peacefully at home with her two daughters by her side. Her Remembrance Service was held in the Lady Chapel of Guildford Cathedral on Friday 14th June and she is now resting with other family members in the Surrey & Sussex Crematorium, Worth. Never forgotten and forever in our hearts.

Lucinda Barnes & Venetia Jerram

Above: Claire Finnie sent in this image of a Roe deer in the garden of her 17th century Lodge on Painshill Park where she has lived for 16 years. This is the first time, despite numerous regular visits over the years, she has finally managed to capture the elusive animal by hiding behind a wall!

Well done Claire!

WALTON ASTRONOMY GROUP

Should you happen across a small group of people setting up telescopes on the green in West End on a Thursday evening, the chances are you have stumbled across a meeting of WAGs. Not, as you may think, England's 'Wives and Girlfriends', but the Walton Astronomy Group who have adopted the village as our local meeting and observing point. We have been running for a number of years, starting out based at Esher Rugby Club, but now preferring the slightly darker skies and good Southern horizon to be found on the Green. We meet every month, normally on a Thursday and sometimes for special events such as the partial lunar eclipse which happened in July.

WAG is a motley crew of around 10 active members, with an ethos which is all about encouraging interest in the hobby for new starters and engaging in practical astronomy whether it is observing or imaging, rather than attending lectures to discuss the theory. If it is cloudy, then we still meet, but enjoy a pint in the Prince of Wales. We range in experience from complete newbies to old lags with 20 plus years in the hobby and have scopes anywhere from 2.5" up to 16" in diameter which are capable of showing amazing sights, particularly under dark skies. We do venture down to near Bignor on the South Downs every now and then to experience this, but it is a long trip which can be tough on the return at 2am so we often prefer the convenience of the village.

Being close to Heathrow and London, you might think that there would be little to see even from the relatively controlled lighting of West End, but that is far from the case. Other than the Moon, obviously, the planets Jupiter and Saturn can be clearly seen currently, in fact if you look towards the South South West at around 8pm you will see a bright 'star', which is in fact Jupiter. With binoculars you should be able to see several of the moons which orbit around the planet. Saturn can also be seen as a fainter object due South. Through our telescopes, detail can be seen on the surface of Jupiter, and the lovely rings around Saturn are amazing sight to see, something you will not forget in a hurry.

Objects beyond our solar system can also be seen when the Moon is not lighting the skies. Within our galaxy there are exotic sounding objects such as globular clusters, basically huge balls of tens of thousands of stars, more delicate nebulae which are shells of gas thrown off aging stars, or clouds of dust and gas in star forming regions. Further away are the galaxies, millions of light years away, but visible through our scopes. We are also fortunate enough to have two members who have night vision equipment which allows incredible views of these distant objects in spite of the light pollution.

So, whether you are winding your way back across the green from the cricket club after a few pints, or taking the dog out for an evening walk, please do come and say hello, and have a look through the scopes. We will be only too happy to show you whatever we happen to be looking at and have a chat.

You can also find us on Facebook - Walton Astronomy Group

Stuart Davis (Chairman)

THE TRAVELLERS RETURN!

Katie Fernandes captured this image of the Cricket Club roller being towed out of West End pond following the shocking and reckless behaviour of youths from the travellers' encampment who illegally parked on the green once again and who drove it into the pond. Malcolm Parsons from Garsons came to the rescue with his tractor, whilst many very angry residents did their best to help to retrieve the situation. The Bailiffs and Police arrived and travellers were promptly evicted.

WEST END PLAYGROUP & FOREST SCHOOL

Here at West End Playgroup we have enjoyed a fun packed summer term finishing off with the sports event and flower stall at the West End Flower show. Our last term saw us enjoying some lovely nature walks and Forest School sessions in our beautiful local surroundings. The children also spent a good deal of time zooming around on bikes in our outside area, creating some amazing craft items and much more. The children have enjoyed learning through their play and we have enjoyed teaching them collaboration skills, creative thinking and how to share. All the skills needed to afford them a smooth transition into school life.

It was a positive yet sad time for the practitioners as we said goodbye to some of our little charges back in July. We emotionally invest in these super little people, but realise that they have to start school, and are confident their time with us has given them the tools they need to move on successfully. We shall miss them and wish them and their parents the very best on their onward journeys.

We hope you all had a happy and safe summer holiday and it is now time to welcome back the children staying with us and offer a hearty welcome to the new children joining us this autumn term. We also look forward to seeing anyone who is looking for a nursery place so please call us on 01372 469157 or email westendplaygroup@gmail.com to book a time to have a look at our fun loving and nurturing environment.

WEST END VILLAGE SHOW BASKS IN WONDERFUL BANK HOLIDAY WEATHER

Our milestone 65th Village Show was celebrated in the most glorious hot sunshine on Saturday 24th August. Quite a scorcher! A number of visitors commented that it was one of the best shows they had attended, especially for the welcoming village atmosphere.

The **Flower Show** marquee looked inviting and colourful as ever with a calm, relaxed atmosphere inside. It's always pleasing to see familiar entrants and to welcome those new to the Show as well.

Despite having to contend with record heat, torrential rains and turbulent winds this summer, many of our regular exhibitors and a record number of newcomers found enough fruit, vegetables and flowers to display making one

of the best spectacles over the past five years and a dramatic increase on last year's numbers. A few new names were worthy cup winners and the judges once again praised the quality of exhibits on show, particularly in the floral art arrangements, the handicrafts and in the cookery and preserves classes.

Outside on the green, there was a huge array of entertainment for all ages in the **Side Shows**. Despite the heat, the bungee trampolines, giant inflatable slide and swing boats were popular with our younger visitors. We were delighted to see the Shetland ponies again, and people seemed keen to give them a pat and to take advantage of the shade. For those of us who are a little older, the Prosecco stall provided a welcome opportunity for liquid refreshment. It was also good to see the Prince of Wales once again involved in the Show. Its new manager, Paul, brought along some deck chairs and gin, a popular combination! Further temptation was provided by the delicious food offered by Baker and Cook. The bookstall was inundated by donations of books and by customers. And the Coconut shy and Smash-a-Plate once again proved that visitors to the show, young and old, do love throwing things!

The **Tug-of-war** was won decisively by the village team with a clean sweep over the green shirts of Garsons.

The busy **Arts & Crafts** marquee at the Village Show proved to be an oasis of cool in the scorching heat. Many of the artists and crafters have been selling at the show for years – 'we wouldn't keep coming if we didn't love being here,' one was heard to say. Always the place to buy wonderful gifts, the crafts ranged from jewellery through to pet portraits, ceramics, clothing and papercut lightboxes. Returning local artists Lady Anne Hunt and Rosalind Moysen never fail to support the show, as has Colin Pendry whose sale proceeds this year were generously donated to the Princess Alice Hospice.

Caroline Thyer won 1st Prize for her beautifully knitted mouse.

In the **Raffle** we received many comments on the quality of prizes, so thank you to all those local businesses and individual supporters that provided sponsorship or prizes. This year we tried a silent auction, with eight lots that were more service or experience orientated on offer for visitors to

bid on over the course of the day. Proceeds were on a par with last year's successful total.

With thanks to Alan from Kingston Hospital Radio who not only provided us with musical interludes but also was helpful in promoting both the raffle and silent auction.

The **Dog Show** was attended by nearly fifty dogs despite the challenging heat for the entrants in their fur coats. Copious amounts of water to keep them cool and treats provided by our sponsors, VOO vets, ensured no-one overheated. Many spectators enjoyed the high standard of entries, both for the pedigrees and the gloriously mixed breeds. An excellent amount was raised for Hearing Dogs for Deaf People. The "Best Sausage Catcher" was popular again this year and Best in Show was awarded to Reggie, a Kooikerhondje belonging to Gilly Solway from Esher.

The hot weather seemed no discouragement to the participants in the **Children's Sports** events, run again expertly by West End Playgroup. The races filled up quickly, providing plenty excitement for children and parents alike, the sight of bobbing balloons proving a highlight. The fun, laughter and cheering continued without abate for two hours. Another highlight was the siblings no age limit three-legged race, which caused much hilarity. Overall cup winners were Taba Schmitt, who also must take the prize for entering the most races and our second time champion for the boys was Rafi Gribble. Well done to you both and thank you to everyone who took part.

David Ford displays the cups!

We were delighted to see Barrie Davey from the Royal Hospital Chelsea again this year and honoured that he agreed to hand out the prizes at the end of the day. A stoic veteran to the end, he looked magnificent in his red coat however overheated he might have been feeling!

Without the contribution of West End villagers it would not be possible to put on the Show. To put it into perspective the money so generously given in subscriptions goes a long way towards hiring the

marquee. We are also extremely grateful to our sponsors and advertisers seen in the programme for their significant support. In addition to enjoying a fun-filled day it is always gratifying to be able to donate profits to local charities and good causes.

A massive thank-you to everyone who worked so hard to put the Show together over the course of the year and to all our visitors who came along on the day. The preparations for the 66th Show start soon!

*Steve Kelly, Chairman, West End Village Show

CLAREMONT ARTS SOCIETY

You are most welcome to our lectures on art and architecture on the FIRST Wednesday in the month at 8.00 pm at the Yehudi Menuhin Hall at Stoke D'Abernon KT11 3QQ Guest Fee £5 if you mention the "West End Village News".

We also have day visits by coach to fascinating places departing from Sandown Race Course.

Our next lecture is on the 4th September on Peru - The Incas seen through their Art and Textiles. The Incas rose to power after AD 1200 but they were the last in a long line of cultures producing some of the finest textiles in the history of the world which have been preserved by the desert for well over 2,000 years.

The following lecture is on 2nd October on The Norman Conquest.

The Normans invaded England, not to civilize, but to seize. There followed an orgy of building including castles, churches, monasteries and cathedrals which all but effaced the fabric of Saxon England.

In October we will visit Syon House and Gardens and in November we will have a guided tour of the Guildhall Art Gallery and the Temple of Mithras. *Glenyce Alexander*

The Guildhall Art Gallery. *Photo: Dee De glanville*

For further information please contact Marigold Haworth marigoldhaworth@googlemail.com 07814 966386

VILLAGE NEWS MEETING

The Village News team will be inviting volunteers and those who support and contribute to the publication and delivery of the newsletter to meet and discuss any new ideas or suggestions on how we can improve the newsletter, e.g. more and more news is being received and space has been at a premium in recent issues. Therefore, the need to keep reports concise and to the point is important. In an earlier issue the idea of emailing the newsletter to recipients was suggested, but not one reply was received. The matter was raised again recently.

We would also like to use this opportunity to thank you for all your support. A date for a meeting will be arranged in the Autumn and invitations will be sent out in due course. Refreshments will also be provided.

ACKNOWLEDGEMENT

We wish to thank Mrs Sheila Dowling for her very kind donation on behalf of her late father, Tony Johns.

You will remember a very nice obituary to Tony was written in our Summer newsletter. Tony was always very generous and frequently sent donations to cover the cost of postage and was always delighted to receive the newsletter.

Tony was one of the previous residents who attended the 1940s Reunion organised some years ago in the Village Hall following the publication of a photograph in the Esher News in the 1940s featuring a group of West End children at the Victory Party.

THE RARE STARFRUIT RETURNS!

The starfruit was last seen in 2014, and the good news is that although it was in quite a vulnerable place it has successfully completed its life cycle and set seed which hopefully will result in more Damasonium in the future.

The other news is that soon we will have our forestry contractors back (around mid September) to continue the woodland management over the Horseshoe Clump Area down to The Homewood. The extraction will initially be to Winterdown Road again.

*Dave Page MCIEEM, Countryside Estates Officer
Elmbridge Borough Council*

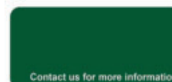

Woodland Management Autumn 2019

This Autumn forestry contractors will be continuing their work on West End Common in the area outlined in red on the plan, woodland management will be within the southern part of West End Common with the extraction of the timber to Winterdown Road. This is the second year of thinning works across West End Common which will involve:

- Thinning 33% of the woodland canopy to improve light penetration
- Non-native/invasive species control such as Turkey Oak, Laurel and Rhododendron
- Creation and maintenance of rides and glades

The thinning of the woodland allows light in to benefit wildlife and amenity across West End Common. The work is part of the on-going Woodland Management programme across Elmbridge's Countryside Estate approved by the Forestry Commission and the Countryside Consultative Group.

The works will be carried out during September to December 2019 and will require the temporary closure of areas and access during the works.

SAD ENDING FOR AN EGYPTIAN GOSLING

Caroline Pattenden of West End Lane, is very upset to have to report that one of the Egyptian geese (now known to be a gosling) was recently hit by a car and killed along West End Lane opposite the pond. Unfortunately the geese had crossed the road in search of food. The driver of the car involved failed to see the gosling walking back across the road.

The awful incident was reported to both Elmbridge Council and the Swan Sanctuary, but sadly someone unknown had thrown the dead bird into the pond. This was a despicable act and very distressing for all concerned to see such cruelty.

We urge drivers to please drive with care along both Winterdown Road and West End Lane and at the junction when turning into Winterdown Road. Discussions about the provision of 'Slow Down' signs have taken place in the past at previous Residents' Association meetings. Perhaps it is time for something to be done? In the interests of the safety, please also keep dogs on leads at all times when close to the wildlife and pond and do not encourage the wildlife to cross the road to feed them.

Angela Stockbridge

WEST END BRIDGE CLUB

Let the Spade suit do the spadework for you

Say your Right-Hand Opponent opens the bidding with “One Club”, and you’re looking at this hand:-

	A Q 10 9 4 2
	8
	9 7 3 2
	5 2

Your opponents are vulnerable, you are not. Would you bid with just 6 High Card Points in your hand? If you’re thinking ‘Of course not’ this is a plea to make you think again.

You really can afford to be quite aggressive with your overcalls if your suit happens to be spades, Especially if the opposition bids Clubs,. Look what happens when you overcall the Club opening with One Spade, At one fell swoop you cut out your Left-Hand Opponent’s responses of “One Diamond” and “One Heart”. Your bid signals that you’re not going to let them get away with an easy part-score. Spades being spades, they’re going to have to bid at the two-level, if they want to bid a suit.

Your bid more than complies with the Suit Quality Overcall Test (SQOT), where you add the number of cards in your suit (you must have a minimum of 5) to the number of honours in that same suit. In this case, six plus three (A,Q,10). This allows you to bid up to the level of the total tricks you are trying for, i.e. 9. So, on the hand above, you could in fact bid a highly aggressive “3 Spades”. Whether you adopt this pre-emptive approach or go for a quieter “One Spade” is a matter of style.

At the very least, your bid has indicated a good lead for your partner. She might have a singleton spade, which would do some fast damage. Or, if she had a few spades, say three, she could help you put up a Spade barrage. She knows you’ve got at least 5, she’s got 3. That’s at least 8 Spades between you. So she could ‘bid to the level of the fit’ and support you with “Two Spades”.

Remember, that when your side has a fit, it’s very likely your opponents do too, Looking at the singleton Heart in your hand, your opponents may well have a big Heart fit, Your side bidding Spades makes it harder for them to find this fit.

Our friendly Bridge Club meets every Tuesday at 1.30pm in West End Village Hall. If you’re on your own, we’ll find you a partner. Ring Kay Moulton on 01372 464775 for more details.

Clive Craigmile

ART EXHIBITION AT PRINCE OF WALES

On 27th July some local artists put on an exhibition at the Prince of Wales pub.

The artists showing were Anne Hunt, Janet Horne, Janet Argent and Rosalind Moysen.

**They will be showing their work again in the
Prince of Wales on
Saturday 28th September**

so do come along, have a drink or a bite to eat
and enjoy the paintings!

If you would like to exhibit your work please contact
Rosalind on 07398 291236
